

# CHILDCARE

September 2017 -  
January 2018

EASTERN IOWA  
COMMUNITY COLLEGES  
CLINTON ♦ MUSCATINE ♦ SCOTT

*THE Community's College*

**CHILD DEVELOPMENT ASSOCIATE (CDA 2.0)**

Child Development Associates (CDAs) are skilled caregivers with demonstrated ability to work with newborn through five-year-old children, infant and toddler or preschool children and their families. Some are center-based caregivers, while others are family day care providers. If you are interested in becoming a CDA, Eastern Iowa Community Colleges can provide you with the required training. For more information, please contact Gale Roeder, Continuing Education, Community Programming, 306 West River Drive, Davenport, IA 52801 or call (563) 336-3444 or toll-free 1-800-850-5440. Essentials 2.0 for Child Development Associates: Working With Young Children (approximately \$66) and CDA Assessment Packet (\$34) are the textbooks used for all components of the CDA program.

College Credit is available through an articulation agreement with Scott Community College, Clinton Community College and Muscatine Community College. Students who have successfully completed the Child Development Associate Credential by completing their course work through the Eastern Iowa Community Colleges, Continuing Education Division, successfully completed the portfolio, work experience and Credentialing Examination may be eligible to receive up to 17 hours of college credit towards a degree at Scott Community College, Clinton Community College or Muscatine Community College.

**Complete Program Listing**

A Child Development Associate (CDA) is a person who is able to meet the specific needs of children and who, with parents and other adults, works to nurture children's physical, social, emotional, and intellectual growth in a child development framework.  
- Council for Professional Recognition

Eastern Iowa Community College's CDA program is for experienced child caregivers or those who want to enter the field. The program includes 120 hours of class work plus 480 hours of field experience, all designed to give you the background to provide quality, professional child care. When you complete the program, you will be eligible to take the CDA national credentialing assessment.

Cost: \$29

**#180172 XCCCE-0005-SGR01**

Available 7/1/17 – 6/30/18

**Iowa Healthy Kids Act**

The Healthy Kids Act passed by the Iowa legislators during the 2008 session has four parts including: nutrition, dietetics, physical activity and CPR for all public and private school students.

- Every student by the end of grade twelve shall complete certification course for cardiopulmonary resuscitation (CPR.)
- The administrator of a school may waive this requirement if the student is not physically able to successfully complete the training.
- A student is exempt from the requirement of this paragraph if the student presents satisfactory evidence school district or accredited nonpublic school that the student possesses CPR.

## MEDIASITE CLASSES

### Bloodborne Pathogens/ Mediasite

Mediasite is a powerful new technology for sharing knowledge online. An instructor presents while the technology synchronizes what you say with your visual aids and instantly streams both over the internet. Participants will learn the occupational exposure to bloodborne pathogens standard (OSHA 29 CFR Part 1910.1930). Including the different types of bloodborne pathogens, their transmission, proper handling of body fluids, and the available vaccines and prophylactic drugs. After your registration is complete, a link will be emailed to you to watch your presentation through any web browser. Cost: \$28

Objectives:

1. Identify the various bloodborne pathogens.
2. Identify methods of preventing or reducing exposure.
3. Review the CDC's guidelines for universal precautions.
4. Discuss Hepatitis B and HIV testing procedures and vaccine.

XHECP-0119-SBC03

Available through 6/30/18

## HEALTH AND SAFETY

### CARDIAC LIFE SUPPORT

The American Heart Association strongly promotes knowledge and proficiency in CPR and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the association.

### AHA Pediatric First Aid/OPT TOPIC/CPR

This course is designed for Child Care Providers and will teach how to handle basic first aid, medical, injury, and environmental emergencies. Heartsaver CPR for adult and pediatrics and how to handle choking situations are also covered. Cost: \$59

**Monday & Tuesday, October 16 & 17, 2017**

5:30 - 8:30 p.m.
