## JOIN US!

Scott Community College hosts an annual Student Showcase in the spring each year to honor outstanding students for the academic year, recognize club participation, connect scholarship donors with their recipients, and to showcase the impact of the community's college. The 2020 date is drawing near - **Thursday, May 7<sup>th</sup> at the QC Waterfront Convention Center from 5-8 p.m.** Nearly 500 people will be in attendance including more than 250 deserving students. These students will be recognized for their college activities, academics, and athletic achievements. A showcase area featuring Honors projects and club displays will be set-up on the concourse for sponsors to connect with students and their families. Also featured, will be a presentation by the 2019 Outstanding SCC Alumnus, Andy Yohe. Please join us this year as a sponsor and connect with our students and your community college.

### OUTSTANDING SCC ALUMNUS PRESENTER: PARALYMPIC GOLD MEDALIST, ANDY YOHE...

*Andy Yohe, is from Bettendorf Iowa and attended Scott Community College where he received his Associates of Arts Degree in 2000. Always a hockey fanatic, Andy was a roller hockey player for the Bettendorf Young Guns before losing both legs in an accident in 1994. In 2003, he got back into hockey when he joined the Rehabilitation Institute of Chicago (RIC) Blackhawks, where he immediately showed his scoring touch. Yohe was a member of Team USA in 2006 and helped the team win a bronze medal at the Paralympic Winter Games in Torino, Italy. Excited to compete again four years later, Yohe helped the U.S. capture the gold medal at the 2010 Paralympic Winter Games in Vancouver, Canada. After the Vancouver Games, he took a three-season hiatus, but returned and became team captain of the 2014 U.S. Paralympic Sled Hockey Team and took gold again in Sochi. You may have seen Andy's name around the Quad Cities as he is a local realtor for Ruhl & Ruhl. We at Scott Community College were excited to award Andy Yohe with the 2019 Outstanding Alumni Award and look forward to his presentation at the Student Showcase.*
