

The Four C's of COVID-19 College Safety

Check Your Symptoms

- ▶ Stay home if you are sick.
- ▶ Use the CDC's Coronavirus Self-Checker.
- ▶ Review your symptoms at eicc.edu/covid19.

Complete a COVID-19 Test

- ▶ Remain off campus while awaiting results.
- ▶ Tests are available at local pharmacies, Test Iowa, or the college.
- ▶ Order free tests at special.usps.com/testkits.

Confirm Your Need to Isolate or Quarantine

- ▶ Consult with your healthcare provider or use the CDC's Quarantine Guidance.
- ▶ Currently, the CDC recommends quarantining for at least five days if you test positive.

Communicate Your Absence

- ▶ Let your instructors know you're sick.
- ▶ Create a plan with your instructors to make up necessary work.
- ▶ Consult your syllabus on make-up policies for your class.

Operational conditions are based on community transmission rates, community COVID-19 positive rates, CDC risk assessment, community vaccine rates, vaccine rates of our college community and current college positive cases.
