

TURF AND LANDSCAPE MANAGEMENT

Effective Fall 2022

Program Description

The Turf and Landscape AAS will provide students with the knowledge and skills to enter professional careers that include: golf and sports turf management, landscape design, landscape installation, grounds maintenance, lawn care, garden center management and other green industry related careers. Educational diversity within the curriculum creates career and technical advantages. During the third semester, additional value for students is created for hands on learning in a summer of paid on the job training. As a member of the National Professional Agricultural Student Organization (PAS) and National Association of Landscape Professionals (NALP) organization, the program offers students an opportunity to travel and compete nationally in competitive events and participate in networking and leadership opportunities.

Employment Experience

Students will gain hands on, real world experience through a paid summer work experience. Students select their employment locations based on their career goals and then apply their classroom knowledge to enhance their industry experience.

Certifications

Iowa Pesticide Applicators License, upon completion of the state pesticide exam.

Award Options

Turf and Landscape, Associate of Applied Science

Turf and Landscape, Diploma

Turf Management, Certificate
